Cliff,

We completed the back-check of the revised Fish Data Report and the changes have been implemented as requested. Please submit the final document with all appendices and upload to Sharepoint. Thanks

Eugenia

Please find attached the NBSA Fish Data Report in MS Word (clean) and PDF (showing Track Changes) formats, modified consistent with EPA's comments and Tierra's response-to-comments. The full report, including all but two appendices can be downloaded here:

[https://www.dropbox.com/s/mc82pf8f6o279d1/20170206%20NBSA%20Fish%20Data%20Report\\_Rev1\\_Clean](https://www.dropbox.com/s/mc82pf8f6o279d1/20170206%20NBSA%20Fish%20Data%20Report_Rev1_Clean)

The two appendices that are not populated are D (Lab Reports) and E (Data Validation reports) consistent with Carlie's email submitting Rev 0 on September 21, 2016. Once EPA completes its backcheck of the changes and confirm that Rev 1 is acceptable, I will make arrangements to submit the final version including populating Appendix D and providing a CD with the lab reports.

Thanks  
Cliff
